"In CrossKnow, we believe all things could happen. Never give up on granting yourself a chance to try out a brilliant idea you have. From an idea to a company, it might not be easy but definitely worthy!"

CrossKnow

Our program aims to use digital technology to improve the traditional book-crossing experience and achieve good system management of "book for book" through intelligent book-crossing machine. We hope to provide a second life for books and cultivate a positive social reading atmosphere. The use of web applications to provide real-time book information and build an interactive communication platform for users, from which to encourage the sharing of reading pleasure, to achieve the purpose of cohesion of the reading community.
