The following message was prepared by the startup team. Should you have any enquires on the event details, please contact the host directly. Thank you.

Host	CheckMate
Event Nam	Startup 1010: Building A Startup with 0 Business Background
Event Date (Venue)	23 Nov 2022, 1500 – 1530 (Venue: theBASE)
Contact person	Herman Ho (hermanho@checkmatehk.io)

Company Description:

CheckMate, a one-stop platform for “Cloud-working Space”. We defined the concept of “Cloud-working Space”, aim to transforming all unused or vacant spaces into a comfortable workplace. Wherever you own any party rooms, cafés, bars, office meeting rooms or any other property, CheckMate helps you list on our platform and use our unmanned check-in system and AI CRM system to transform your space into our revolutionary Cloud-working space. Moreover, we utilize the sharing office business network to allow the firms within the cloud-working space to create a community by organizing business networking events and seminars. Therefore, they don't have to rent expensive offices in cities. All they need to do is to use our CheckMate app and find "Cloud-working Spaces" near their homes all over the world, solving all the productivity problems.

Event Name	Startup 1010: Building A Startup with 0 Business Background
Date & Time	23 Nov 2022, 1500 – 1530
Venue	theBASE @ HKUST
Language	Cantonese & English
Contact Person	Herman Ho (hermanho@checkmatehk.io)

We welcome all HKUST students who are interested or passionate in entrepreneurship with technology to our sharing session, Startup 1010: Building A Startup with 0 Business Background. Ever thinking what else your Final Year Project can benefit you rather than fulfilling your graduate requirements? Come to us and learn more about our journey of turning FYP into a commercialized product as a pure tech person. Chat with us and get our souvenirs!

Application Form	https://ust.az1.qualtrics.com/jfe/form/SV_3QP5382WjMyVTGm
Application Deadline	22 November 2022 (Tue)

Highlights:

- What is our revolutionary Cloud-working space
- Startup Journey as a pure Tech Co-Founder
- Challenges for early-stage startups (Seeking Co-founders, funds, adopt advice into your business model)
- Technology involved
- Exclusive fast-track free tickets to our “CheckMate X WorkCave Start-up Night” with sharing from Bowtie, Airwallex, AWS, MIT Innovation Node and networking with other successful startup teams
